* Includes Certificates of Completion, State Diplomas and High School Equivalencies (age 19 & under)

Superintendent's Highlights

The Board of Trustees, Administration, and Staff have continued their efforts to improve the quality of education and arise standards for our students through the goals and objectives outlined. While this is a very brief review of the past year's activities, it shows a great dedication to the well being of our children. There is always much to be done, however, and we will continue to work for the future of our students.

Progress Towards Meeting District Goals

1996-97 Goals

Progress

To create and maintain a safe and healthy school environment

The district continued the cooperative agreement with the Benewah Medical Center for school nursing services and student/staff training in the areas of communicable disease, injury prevention, environmental issues, and cultural awareness and sensitivity. The district continued the closed campus policy and supported the community curfew. We continued participation in the DARE program.

To promote the Student Reward Program

Continue the Student of the Month program in cooperation with the Gateway Chamber of Commerce; recognizing Student of the Month, Most Improved Student, and Citizen of the Month; emphases on importance of good attendance, attitude and behavior in and out of the classroom.

Encourage parent and community participation

Encourage parent and community involvement and participation through parent/teacher conferences, curriculum review committees, the local community task force, and the Lakeside Booster Club.

Create an alternative school

The district created "Roots & Wings," a school within the school, as an alternative school setting for those students who do not perform well within the normal classroom; all core subjects taught under the direction of certified staff, and in cooperation with the regular classroom teachers.

Student Profiles

Ethnicity

Race	Male	Female	Total
White	31.24%	24.31%	55.55%
Black	0.00%	0.52%	0.52%
